#### A Move in the Right Direction.

Mrs. Agnes T. Boyer, State Commander for the Women's Benefit Association of the Maccabees, has arranged with the North Platte General Hospital to furnish and maintain a room in their new hospital which is to be located in the Morsch building on Locust street. The room will be entirely furnished by the local association and maintained for the use and benefit of the members in the western part of the state and any members not in a position to pay for their own service and needing treatment as provided by a hospital, will have the use of this room free of cost.

#### Beyerle-Marshall Wedding

Adolph S. Beyerle and Miss Lillian Marshall were quietly married at the home of the groom Wednesday evening. Rev. Robert White officiated in the presence of twelve relatives and friends. The bride wore a becoming gown of pink crepe de chine and was unattended. Cut flowers were used in decorating the rooms and the ceremony was performed in the archway. A wedding supper was served after the congratulations. Mr. Beyerle is employed as an engineer on the Union Pacific and is very popular among the local people, especially in railroad circles. The bride came here four months ago from Elm Creek and has made many friends. They will be at home to their friends at 108 south Sycamore street.

#### Dr. Selby Appointed Inspector.

Dr. Claude Selby, a former North Platte boy, now a practicing physician in Chicago has been appointed medical inspector or examiner in the public schools of that city. The appointment followed a very rigid examination, and of the 216 physicians who took the test only thirty passed. Under a law passed a year or so ago, every child attending school in Illinois must be examined for tubercular and other trouble by an approved medical examiner, and it is to this position that Dr. Selby has been appointed. The fact that he passed the test and received the appointment shows that he is "making good."

Maynard Osborn, wife and little daughter Ruth and Mr. Mann of Sidney, who were visiting at the home of Mrs. C. J. Perkins and Mrs. Langlois, drove home in two new Saxon cars of which Messrs. Osborn and Mann are agents in Sidney.

#### KEITH NEVILLE FILES FOR GUBERNATORIAL NOMINATION

Keith Neville returned yesterday from Omaha where he spent Wednesday in conference with prominent democrats from all parts of the state. As a result of that conference, Mr. Neville filed for the democratic nomination for governor, and within the next few days nominating petitions will be circulated in each county in the state. The first petition was circulated in North Platte yesterday, C. F. Temple doing the work.

While Mr. Neville has been an active democrat, contributing both labor and lucra, his ambition to be become a candidate for governor was not acute, and it was only after he had attended the Omaha conference and heartily endorsed and strongly urged by those high in the councils of the party that he reached his conclusion. Personally, we believe Mr. Neville will prove a strong candidate; he has the advantage of a strong young manhood and energy, an unassailable record, a splendid standing wherever known, and his activities in party work have made him well known to democrats of state-wide reputation. In addition to these advantages he will undoubtedly have the backing of the Omaha World-Herald, Dick Metcalf's paper, and many others of lesser note.

Mr. Neville will go into the campaign to win. An hour after he reached home yesterday the board was cleared for action. His proposed trip to Florida was abandoned, rooms for headquarters were made ready in the Keith theatre building, a stenographer employed to handle the correspondence and other preparations made for the beginning of a vigorous campaign.

With Mr. Neville as the candidate of the anti-Bryan democrats as well as those who not favor prohibition we believe "Brother Charley" down at Lincoln will need hook up his galuses for a very hard race.

#### Obituary

The funeral of the late Mrs. Mary Marovich was held in this city Monday morning at St. Patrick's church and was in charge of Rev. Kampmann of Garfield, who delivered a very impressive sermon. The choir rendered requiem mass and Chas. Pass sang "Face to Face." Miss Sadie Trovillo sang "Some Sweet Day." Pall bearers were Messrs. Doran, Tighe, Hahler, Healey, Stuck and Herrod. Interment was made in the Catholic cemetery.

Mary Katherine Frokley was born in Indianapolis, Ind., in 1859. Her girlhood was spent in a convent and at the age of sixteen she was married to Wallace Marovich, who survives her. To this union was born nine children: Mrs. A. J. Frazier, of this city, Della of Mar, Oregon, Mrs. Edward McGlothlen of Grand Island, Leona of Cheyenne, Herbert of Garfield, Roy of Sutherland, Clarence of Arthur, and the twins May and Ray of Garfield. An aged mother resides at Grand Island, and sisters are Messdames Lizzie Kibbe of Tarpon Springs, Florida, Rosie Reilag of Indianapolis, Emma Spear of Santa Barbara, Cal., and Vernon Abergast of Grand Island. Her brothers are Frank Frokley of Eddyville and Joseph of Stapleton.

Mrs. Marovich came to this county from Illinois in 1884 and was a highly respected and christian woman, known by her charities and good will. The bereaved family have the deep sympathy of many friends in the loss of a devoted wife and mother.

#### Major White Honored

Major White, of this city, who is a student at the Manual Art high school in Los Angeles, had a signal honor conferred upon him recently when he was elected president of the post-graduate class room. In this post-graduate class of which the Major is a member, are 102 students, and that he should be selected as president is certainly a compliment. As president of this class room he has a voice and vote in the management of the affairs of the student body of the entire school which has an enrollment of 2,800. Further than this, Major was elected a member of the "Meritians," an organization whose membership is limited to those who have attained a credit of four A's in four studies for the semester.

Mr. White will return to North Platte this summer and later enter the state university.

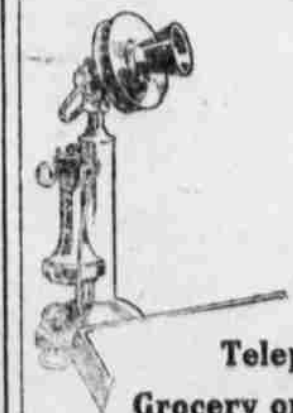

#### Award Bridge Contract.

The contract for building the new state aid bridge across the South Platte river directly south of Sutherland, was awarded Tuesday to the East St. Louis Bridge Company for \$16,948, which does not include the approaches. These latter are estimated to cost about \$2,200, bringing the total cost up to in excess of \$20,000. There were fourteen bids on file.

The precinct voted \$14,000 for the construction of the bridge and an equal amount contributed by the state, or a total of \$28,000. Part or all of the difference between the contract price and the amount provided will be used to meet extra construction costs, if such there be.
